**I would like to express my gratitude and thank you again for all you have done for me. I am extremely appreciative of the fact that you heard me out at a time when all hope was lost in regard to me being able to keep my housing voucher. Without your willingness to advocate for me, I would have lost my hearing and also stability with my current employment. Both things have a direct effect when it comes to quality of life and a healthy mindset.**

**I am very thankful for the opportunity to continue to move forward in a positive direction in all areas of my life, and without your help the outcome that I was facing was one of many extreme disadvantages and difficulties. I will never forget your kindness, willingness, encouragement, and the ways that you advocated for me to both my landlord and the housing authority. I also appreciate you talking to the lady that was helping me to properly file my paperwork and apply for ERAP.**

**Your advocacy for me is not overlooked or unappreciated and I recognize how much you have done for me throughout the situation. You are and will continue to be a part of my thoughts and prayers. You are a person that I thank God for and I hope all the best always for you.**
